## Spring 2013 Information Session

Greece

Israel

Japan

South Korea

Real Estate in Brazil

Tuesday, November 13

## *Who goes?*

- Full-time Business School students (no significant others); a faculty member and sometimes a staff member. Tours range from 20-40 participants
- Students with holds on their accounts are unable to participate in Chazen Study Tours

## *What are they like?*

- Intense! A mix of business and cultural visits
- ALL company visits are mandatory
- Expect 7-10 visits throughout the tour

## *What is the schedule?*

- All presentations have tentative itineraries at this point in the planning process as many companies will not confirm until closer to the travel dates. They will provide you with a sample of the types of companies the organizers are targeting. Leading up to travel, each tour will have a pre-departure meeting with the latest schedule.

### *What is included?*

- Hotels (double occupancy), local transport and some meals (usually all breakfasts, and some dinners)

### *How do international flights work?*

- Most tours suggest you book individually but will suggest the most convenient flight for the trip. When possible, tours will arrange for group pick-ups from the airport or give directions to get to the hotel.

### *Can I increase my loans for travel?*

- Generally no since study tours are not for credit. Students are only able to increase their loan eligibility for a study tour if they register for an [associated independent study](#), under the guidance of a faculty sponsor. For details, please contact the Office of Student Affairs.
