DONOR-ADVISED FUNDS

HARNESS THE POWER OF COLUMBIA'S ENDOWMENT

Make Your Gift
Create your DAF with an initial gift of $1M or more in cash or securities, and have the ability to make additional gifts in the future in increments of $250,000 or more.

Develop and Distribute
Your DAF will be invested alongside Columbia's endowment, and you make recommendations for the distributions. You will not be charged any administrative fees by Columbia. At least fifty percent of your DAF must go to Columbia; the rest may go to other charities you wish to support.

Immediate Benefits
Qualify for a charitable deduction in the full amount of your contribution in the year of the gift, for both initial gifts and subsequent contributions. Become a member of the 1754 Society, an honorary society for those who have made planned gifts to Columbia.
