You may avoid having mandatory annual distributions from your IRA account count as income subject to taxation when you make your gift directly to Columbia.

How to Give
For donors age 70 1/2 or older, instruct your IRA administrator to transfer funds directly to Columbia Business School. You may give up to $100,000 total per tax year in combined charitable IRA rollover gifts.

Benefits to You
You may avoid having mandatory annual distributions from your IRA account count as income subject to taxation when you make your gift directly to Columbia.

Use Your Assets Now
An IRA rollover may be right if your retirement account constitutes the largest share of your available assets or if you are required to take a minimum distribution from your IRA and do not need additional current income.
