OUTSIDE ACTIVITIES

Columbia Business School requires faculty members to disclose any recent activities that might present a real or apparent conflict of interest. Recently I have:

-Done litigation consulting work related to two food companies, a medical equipment company, a technology startup, two large technology firms, two automotive companies, and a “sharing economy” platform.

-Done other consulting work for a food company, an advertising agency, a health and beauty company, and a consumer packaged goods company.

-Developed a case/learning module with a colleague in a peer institution.

-Served as a founding advisor for a marketing analytics startup.
