Understanding Today’s Macroeconomy
THE GLOBAL ECONOMIC ENVIRONMENT SEQUENCE
John Donaldson
Mario J. Gabelli Professor of Finance
jd34@gsb.columbia.edu
Professor Donaldson is a recipient of the Columbia University Presidential Teaching Award. His research focuses on business cycles and asset pricing, with an emphasis on the real side of the economy.

Frederic S. Mishkin
Alfred Lerner Professor of Banking and Financial Institutions
fsm3@gsb.columbia.edu
Professor Mishkin has held stints as the Director of Research and Executive VP of the Federal Reserve Bank of NY ('94-'97), as well as a Governor of the Federal Reserve System ('06-'08). His research focuses on monetary policy and financial markets.

Christian A. Moser
Assistant Professor of Business
c.moser@columbia.edu
Professor Moser received a Ph.D. in Economics from Princeton University where he was awarded the Towbes Prize for Outstanding Teaching. His research focuses on earnings inequality in relation to the minimum wage and fiscal policy in Brazil, Germany, and the US.

Andreas I. Mueller
Assistant Professor, Economics
amueller@columbia.edu
Professor Mueller received his Ph.D. from Stockholm University and was awarded the Amberg ska Prize for his dissertation work by the Royal Swedish Academy of Sciences. His research is centered on macroeconomic issues related to the labor market.

Emi Nakamura
Professor of Business
enakamura@columbia.edu
Professor Nakamura was named one of the top 25 economists under 45 by the IMF. Her research mainly focuses on business cycles, monetary and fiscal policy.

Jesse Schreger
Assistant Professor of Business
jesse.schreger@columbia.edu
Professor Schreger received his PhD in Political Economy and Government from Harvard University. His research is primarily on international finance and macroeconomics, focusing on sovereign debt and exchange rates.

Pierre Yared
Professor of Business
pyared@gsb.columbia.edu
Professor Yared is a macroeconomist whose research focus is growth, development, and political economy. In 2014, he was awarded the Dean's Award for Teaching Excellence in a Core Course.

Stephen P. Zeldes
Benjamin Rosen Professor of Finance and Economics
spz1@gsb.columbia.edu
Professor Zeldes is an award winning educator whose research focuses on macroeconomics and finance, household savings, government budgets, and social security.
